IndiaSkills Competition 2023
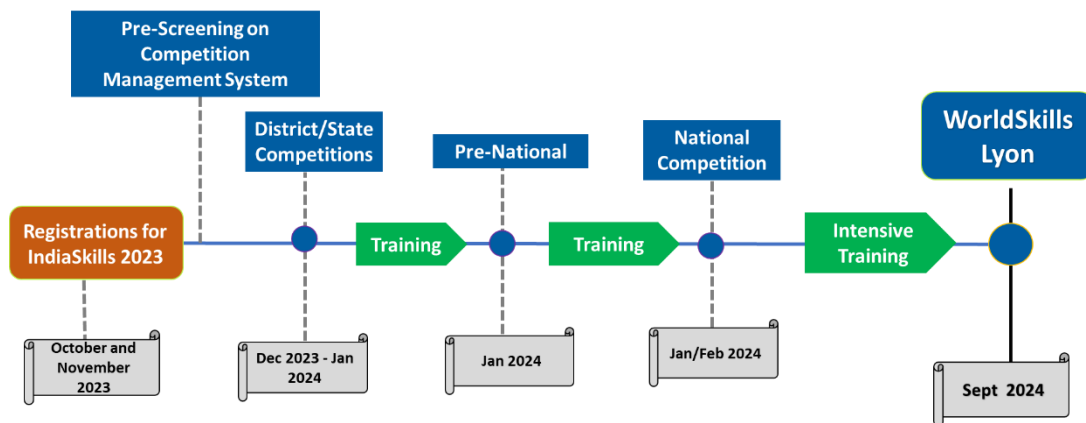

About:

IndiaSkills Competition, the country's biggest skill competition, is designed to demonstrate the highest standards of skilling and offers a platform to young people to showcase their talent at national and international levels.

With several inherent benefits of skill competitions, a structured approach with active participation of States has been envisaged under the IndiaSkills State, Pre-national and National Skills competition – IndiaSkills competition program.

The participants of IndiaSkills Nationals emerge from winners of district/state and subsequently pre-national level competitions. The winners of national competition, through a process of selection, represent India at WorldSkills and other international competitions.

Tentative Timeline of Competition:

Where to apply: Skill India Digital

Who can apply: Indian Youth as per age criteria according to the skill.

Why to participate:

1. India's biggest skill competition
2. Opportunity to showcase your skill set.
3. Continuous opportunity to upskill by Industry subject matter experts.
4. Rewards and Recognition at National Level
5. Intensive Industry oriented training post National Competition for Winners
6. Opportunity to represent the Country at WorldSkills Competition at Lyon, France, subject to success in selection rounds after National Skill Competition.
